The LCAP is a three-year plan that describes the goals, actions, services, and expenditures to support positive student outcomes that address state and local priorities. The LCAP provides an opportunity for local educational agencies (LEAs) to share their stories of how, what, and why programs and services are selected to meet their local needs. The components of the LCAP for the 2021-2024 LCAP include an LCFE Budget Overview for Parents, the Annual Update, Plan Summary, Stakeholder Engagement, Goals and Actions, and Increased or Improved Services for Foster Youth, English Learners, and Low-income students. As required by CDE guidelines, a public hearing must be held prior to the meeting, which the Board of Trustees considers the adoption of the LCAP. In addition, the LCAP must be presented to the Parent Advisory Committee with the opportunity for written input and written responses from the Superintendent; this requirement was completed on May 20, 2021
